

BASIC-FIT INVESTOR DAY 2017

Hoofddorp, 9 November 2017 - Basic-Fit today held its Investor Day for institutional investors and analysts in Hoofddorp.

The day focused on how Basic-Fit captures the opportunity in the European fitness markets. We will continue to execute our growth strategy, following a well-defined expansion process to secure the high quality of the network and to achieve the targeted return on invested capital on mature clubs of at least 30%.

Presentations were held by Basic-Fit's management Rene Moos (CEO) and Hans van der Aar (CFO) and several senior managers responsible for the various Basic-Fit divisions.

The presentations will be available on our corporate website <http://corporate.basic-fit.com/investors> on Friday 10 November.
