

BASIC-FIT PRESS RELEASE

BASIC-FIT COMPLETES THE ACQUISITION OF WELLYOU

Hoofddorp, 12 August 2026 – Basic-Fit (Euronext: BFIT), Europe's largest and fastest growing fitness chain and franchisor, has completed the acquisition of wellyou including all its 41 clubs in Germany.

On 1 July 2026, Basic-Fit announced that it had reached an agreement with fitness operator wellyou, one of the market leaders in Northern Germany, for the acquisition of all its 41 clubs. The relevant antitrust authorities have raised no objections and cleared the transaction, satisfying one of the main conditions to closing. This transaction has now been finalised.

The coming quarters, the acquired clubs will be rebranded to Basic-Fit, which will accelerate our path to critical mass in Germany. Once we reach approximately 200 Basic-Fit branded clubs in Germany, we will be able to intensify our marketing investment, driving stronger brand recognition and improved membership conversion.
